TAKE A WALK ON THE WILD SIDE: THE WORK OF ERICA NEUMANN
April 2 – June 24, 2009

Banff, Alberta – The Whyte Museum of the Canadian Rockies celebrates the wildlife, landscape, and floral artwork of Erica Neumann with an art show and sale featured by the Museum Shop and on display in the Swiss Guides Room.

As a long-time resident of the Bow Valley, now residing in Okotoks, much of Erica's work is dedicated to the Rockies and Western Canadian wildlife. Each image carries with it not only a strong tie to nature, but also a specific story about a time and place captured permanently in Erica's painterly images.

The Whyte Museum Shop hosts a series of juried art shows and sales throughout the year. These shows include feature artist shows, group shows, and themed shows and are intended to showcase a selection of works that complement other exhibitions, programs, or events at the Whyte Museum.

All proceeds from the sale of these works will support the artist, and the Whyte Museum's exhibitions and programming.
